

The Summer Holiday Tour

TOUR

June 29th - July 6th 2024

7 nights in North Korea + Beijing-Pyongyang travel time

OVERVIEW

Sun, sea, and sand... Yes, that's right!

North Korea may not be known as a summer get-away, or indeed known for its beaches, but we think a summer package holiday in North Korea is far too underrated, and one of the best holiday destinations to give you one of the most unforgettable trips of a lifetime. Plus, you won't have to worry about tourists crowding the beaches!

Our Summer Holiday Tour is an annual favourite which gives you the highlights of North Korea - and more. This includes exploring the capital [Pyongyang](#) and historic [Kaesong](#) on the Korean [Demilitarised Zone](#) on the North-South Korea border, while also taking time to see the country's rarely visited east coast.

On the east coast, you will see the port city of [Wonsan](#) and the industrial centre of [Hamhung](#), while having the chance to explore the hiking trails in [Mt Kumgang](#). The weather is beautiful at this time of year - warm during the day but not too hot, making it one of the best holiday destinations this summer!
