

TURKMENISTAN TOUR (MAY)

TOUR

May 13th – 20th 2023
9 Nights

OVERVIEW

Join experts in Turkmenistan travel, Koryo Tours, on this epic journey to Central Asia's most enigmatic and least-visited country; Turkmenistan.

We will see history unfold as we travel from ruined ancient cities to gleaming modern marble-clad towers. From flaming pits deep in the desert to deep subterranean pools of health-infusing water. We will make sure to visit the main sites during our time in Turkmenistan such as [Ashgabat](#) and the [Darvaza Gas Crater \(Gates of Hell\)](#), but also take you off the beaten path to really experience and understand Turkmenistan. Meet local people, learn about their lives and history, their differences and commonalities.

We look forward to sharing it with you in Turkmenistan!

This tour will be led by our general manager and travel specialist [Simon Cockerell](#), who first travelled to Turkmenistan in 2004 – on the very first flight from Beijing! He has been to the country over 25 times since. Over the years, he has made close friends there, explored widely, and maintained a deep fascination since first visiting many years ago. You can rest assured that you will be in safe hands during your Turkmenistan tour and that you will get the most out of your trip into this unexplored land!

We will make the most of your time on the tour to guarantee the experience of a lifetime.
