HIGHLIGHTS

- Experience the metro, located deep underground
- And see many other highlights of Pyongyang!

Please note that the itinerary may differ slightly to what is below but your tour leader will do their best to ensure that as much is covered as possible and will also add in extras when there is time such as a visit to a local bar or a funfair. We visit the DPRK regularly and know all the best places to go to make your trip even more unique. We will make the most of your time in the DPRK to guarantee the experience of a lifetime.

TRANSPORT OPTIONS

Please read the following for important information about your transport options for this tour, and how each one related to the visa requirements for China. The default option is round-trip train travel from Dandong to Pyongyang, and back again. Beijing-Pyongyang train tickets & flight upgrades are available. See below for more details.

Option 1 // Round-trip train from Dandong (Dandong-Pyongyang-Dandong): An approximate 7-hour train journey through rural North Korea. This is the default transport option departing from Dandong which requires you to make your own way to & from Dandong with the mandatory pre tour briefing being conducted in Dandong on the evening before departure. [+0 EUR]

Option 2 // Round-trip train from Beijing (Beijing-Pyongyang-Beijing): A 23-hour train journey each way in hard-sleeper class (six bunks per berth) with a transfer in Dandong, China. This option is for those travelling on a budget with time to spare (and train enthusiasts, of course). This requires you to complete your pre-tour briefing in Beijing the morning before boarding the train. [+120 EUR]

Option 3 // Flight departure (Beijing-Pyongyang // 90 minutes) + train return (Pyongyang-Beijing // 23 hours): We highly recommend this option: it maximizes your time and sightseeing opportunities; lets you experience both Air Koryo and the international train; plus allows you to start the trip rested, while taking the leisurely route home. In our view, this is the most comprehensive way to visit the DPRK. [+319 EUR]

Option 4 // Train departure (Beijing-Pyongyang // 23 hours) + flight return (Pyongyang-Beijing // 90 minutes): An alternative to Option 3. This option is ideal for those wishing to take the train one-way of the journey, but need to transit through Beijing by flight on their return. [+319 EUR]

Option 5 // Round-trip flight (Beijing-Pyongyang-Beijing): Choosing the round-trip flight option gets you between Beijing and Pyongyang in 1.5 hours (each way), and lets you experience the infamous Air Koryo 'burger' twice! For many nationalities, this also allows for the possibility of transiting in Beijing, rather than having to get a Chinese visa (please see below). This option is for those with little time to spare, travelers wanting simply to transit through China, or aviation enthusiasts. [+419 EUR]

VISA INFORMATION

We arrange your North Korean visa as part of your tour package [+50 EUR]. However, given the tour starts and finishes in China you may also need to arrange a Chinese visa for your trip obtained at a Chinese diplomatic mission abroad. We recommend obtaining at least a double-entry Chinese visa for your trip.

Over 50 nationalities can obtain a visa-waiver for up to 144 hours when in transit through Beijing Capital Airport (PEK) using direct international flights. Most other nationalities can transit for up to 24 hours.

Please be sure to check your visa status for travel through China while planning your trip. We are unable to arrange Chinese visas, but can provide documentation in support of visa applications upon payment of a tour deposit.
