TRANSPORT OPTIONS

Please read the following for important information about your transport options for this tour, and how each one relates to the visa requirements for China. The default option is round-trip train travel from Beijing to Pyongyang, and back again. Flight upgrades are available. See below for more details.

Option 1 // Round-trip train (Beijing-Pyongyang-Beijing): A 24-hour train journey each way in hard-sleeper class (six bunks per berth) with a transfer in Dandong, China. The train arrives in Pyongyang approximately three hours after the flight so train arrivals will miss one or two activities in the city. This option is for those travelling on a budget with time to spare (and train enthusiasts, of course). [+0 EUR]

Option 2 // Flight departure (Beijing-Pyongyang // 90 minutes) + train return (Pyongyang-Beijing // 24 hours): In our view, this is the most comprehensive way to visit the DPRK. We highly recommend this option: it maximizes your time and sightseeing opportunities; lets you experience both Air Koryo and the international train; plus allows you to start the trip rested, while taking the leisurely route home. [+239 EUR]

Option 3 // Train departure (Beijing-Pyongyang // 24 hours) + flight return (Pyongyang-Beijing // 90 minutes): An alternative to Option 2. This option is ideal for those wishing to take the train one-way of the journey, but need to transit through Beijing by flight on their return. Please note the train arrives in Pyongyang approximately three hours after the flight so train arrivals will miss one or two activities in the city. [+239 EUR]

Option 4 // Round-trip flight (Beijing-Pyongyang-Beijing): Choosing the round-trip flight option gets you between Beijing and Pyongyang in 1.5 hours (each way), and lets you experience the infamous Air Koryo 'burger' twice! For many nationalities, this also allows for the possibility of transiting in Beijing, rather than having to get a Chinese visa (please see below). This option is for those with little time to spare, travellers wanting simply to transit through China, or aviation enthusiasts. [+439 EUR]

VISA INFORMATION

We arrange your North Korean visa as part of your tour package [+50 EUR]. However, given the tour starts and finishes in China you may also need to consider entry and exit procedures in China for your trip. This can be obtained at a Chinese embassy abroad. We recommend obtaining at least a double-entry Chinese visa for your trip.

Over 50 nationalities can obtain a visa-waiver for up to 144 hours when in transit through Beijing Capital Airport (PEK) using direct international flights. Most other nationalities can transit for up to 24 hours. If you don't want to visit China as part of your trip, this could be the easiest option for you. It is not possible to obtain a transit-waiver when using a train for entry or exit from China.
