

May Day Tour from Shanghai (2.5 nights)

Looking for a short break to spend your holidays in May? Visit North Korea from Shanghai for the **May Day Holiday**, one of our favorite times to visit the country.

Also known as **International Workers' Day** or **Labour Day**, **May Day** is a day off and locals take to the outdoors for picnics, dancing, and sports. In Pyongyang, there is an **annual** festival with musical performances and traditional folk games. Spring is in the air and May Day offers a good chance to meet the locals and learn about everyday leisure in North Korea.

We'll take a day trip to visit historic **Kaesong** and the **DMZ**, the North-South Korean border.

Plus, we'll have an exclusive chance to have a friendly (but competitive!) **volleyball game against a Korean company** team. Volleyball is one of the most popular sports in North Korea and almost every company, school, office, section, or unit has a team! Enjoy taking part in this important part of Korean culture with the locals by spending your holidays in May in North Korea!
