

Unseen North Korea

TOUR

September 12th – 26th 2020

15 nights in North Korea + travel time

OVERVIEW

Head further off the tourist trail as we not only take you to North Korea, but we also head into little-explored areas on this two-week North Korea adventure.

We will explore [Mt Paektu](#), the most sacred place in North Korea, as well as the industrial cities of [Chongjin](#) and [Hamhung](#) - the country's most scenic regions open to travellers.

This is Unseen North Korea.

Over this two week adventure, we spend a lot of our time on the move, making the most of what North Korea has to offer. We travel from the capital of [Pyongyang](#) and cross the width of the peninsula to North Korea's east coast and visit [Hamhung](#), the country's second-largest city and work our way along the beautiful coast road to major port city [Wonsan](#) and the stunning 'Diamond Mountain' area of [Mt Kumgang](#).

It's then off to the North Korea's far north by special domestic charter flight to the volcanic [Mt Paektu](#) before flying to the rarely-visited North Hamgyong Province to visit [Chongjin](#), the DPRK's 'city of steel' and the city of [Hoeryong](#) on the Chinese border. We then take a well-needed relax as we hit the beaches and take a hike in the [Mt Chilbo](#) area before heading to [Hoeryong](#) and [Rason SEZ](#) (Special Economic Zone) bordering China and Russia, and exit across the bridge through Yanji in North-East China. Alternatively, you can return to Pyongyang from Chongjin on a domestic Air Koryo flight and return directly to Beijing.

This tour is perfect for returners after seeing more of the country, or those wanting an adventure! If you want something more conventional but almost as equally comprehensive, check out the 9-night [National Day Long Tour](#).
