

## North Korea Mega Tour – DMZ to Mount Paektu and Beyond

### TOUR

August 31<sup>st</sup> – September 24<sup>th</sup> 2021

23 nights in North Korea + Beijing-Pyongyang travel time

### OVERVIEW

Koryo Tours' annual Mega Tour every September is the ultimate journey to North Korea, and our longest and most comprehensive tour to North Korea.

We'll travel from [Pyongyang](#), Panmunjom and the DMZ to stunning [Mt Paektu](#), [Mt Chilbo](#), and [Mt Kumgang](#) as well as the rarely-visited industrial cities of [Chongjin](#), [Hamhung](#), and [Wonsan](#), plus much more!

The trip covers thousands of kilometres from the capital Pyongyang to the country's far north, south, east, and west by bus and internal flights. On the way, we'll stop by all the must-see tourist attractions - from massive political structures and monuments to pristine mountains, forests, and beaches to the socialist industry and agriculture that are the backbone of the DPRK economy.

We'll also be in Pyongyang for National Day, a major North Korean holiday, and see how North Koreans celebrate the 73rd anniversary of the foundation of the DPRK (North Korea). Get to know one of the least-understood countries in the world and its people as it stands at a crossroads in its relations with its long-time adversaries: South Korea and the United States.

The best way to get to know and understand North Korea is to spend time in the country and meet and interact with local North Koreans through activities, sports, games, and serendipitous encounters.

A new addition to this tour is the possibility of extending your stay in the DPRK for two more nights to visit the [Rason Special Economic Zone](#) to see North Korea to its fullest like nobody before. This trip offers a unique chance for an overview of much of the country.

Take it from us; we've been travelling to North Korea for more than 25 years! Join us for this unforgettable trip of a lifetime.

*Looking for something shorter? You can also book just the first 10-nights or second 14-nights of this tour. See our [National Day Long Tour](#) and [Unseen North Korea](#) tours, respectively.*
