7 nights in North Korea + Beijing-Pyongyang travel time

OVERVIEW

General Kim Jong Il, President Kim Il Sung's son and father of current North Korean leader Kim Jong Un, was born on 16th February. This date is known as the [Day of the Shining Star](#). It is saved in the DPRK calendar as a day of celebrations, and one of the most important North Korean holidays. Locals have time off work, and there are many special events that go on in the city, that foreigners are also welcome to attend.

During this North Korea holiday time, we expect [mass dances](#) and a chance to visit the [Kimjongilia Flower Exhibition](#), where we will see the begonia named after the late General Kim Jong Il, the [Kimjongilia](#). Plus, there may be a chance to view the epic North Korea fireworks from the infamous [Kim Il Sung Square](#) filled with locals also gathering to watch the fireworks after a day of celebrations with the family.

Aside from all of the special events, this action-packed itinerary also includes a city tour of all of the not-to-miss sites of Pyongyang, including the [Juche Tower](#) and [Kwangbok Department Store](#). With over a week in the country, we'll be spending time out of Pyongyang in cities such as Sariwon, Kaesong, the Mt. Myohyang region and Pyongsong. Get out of Pyongyang and venture out to some of North Korea's rarely explored countryside.

If time isn't on your side, take a look at our [5 night](#) Kim Jong Il Birthday tour also available.
