

Persian New Year

Tajikistan

TOUR OVERVIEW

March 17th – 26th, 2022
9 Night tour in Tajikistan

SUMMARY

Narouz (new day) festival, also known as Persian New Year has its origins partly rooted in the ancient Iranian religions such as Mithraism and Zoroastrianism. It is now seen as the celebration of the new spring and the year to come. In Tajikistan, the holiday is marked on the first day by a meal at home with family and friends after spring clean. During the remainder of the week, events such as dancing and wrestling take place in the build-up to the national sport of Buzkashi.

Some consider the fantastic sport of Buzkashi to be the most dangerous in the world. It is a spectacular event from its build-up through to its action. It could be described a mixture of polo meets rugby, played on horseback with up to 500 individual contestants competing for prizes by trying to wrestle over a goat's carcass. The winner of each round will be the one to break out of the melee and place the goat upon a central mound.

For the rest of the tour, we take in the understated capital Dushanbe with its polished centre and outlying Soviet monuments and architecture. We leave the city on our way over the stunning snow-capped Fan Mountains to Khujand we stop at the **Khoja Obi Garm Spa** health spa. In Khujand, we visit the history museum, market and the tallest statue of Lenin in central Asia. Retracing some of our steps we drive through the world's longest tunnel crossing the country to the historical city of Panjikent where we learn not only about Rudaki, the 5th-century Persian poet but we also visit the ancient city now a world heritage site close to the Uzbek border. Driving back over the Fan Mountains to Dushanbe we couldn't think of a better end to the tour than paying a visit to a semi-functional cognac factory for some free samples, shopping and photography.

Please note that the itinerary may differ slightly to what is below, but your tour leader will do their best to ensure that as much is covered as possible and add extras when there is time. We visit Tajikistan regularly and know the best places to go to make your trip even more unique. We will make the most of your time in Tajikistan to guarantee the experience of a lifetime.

SAFETY

At Koryo Tours, our main priority is your safety and that of the group's. Since 2014 we have worked with a local travel agency that ensures that the journey is safe in vehicles we use and the areas we visit. You are entering the country as a legal tourist, and therefore must obey the local laws and customs. One of our experienced Koryo Tours guides will accompany the trip.

WHY SHOULD I BOOK THIS TOUR?

As with all of our tours we keep you busy believing in value for money, you will be kept on your toes from Dawn until dusk. Not only will we visit what is listed on the itinerary but will make use of free time and the long drives by stopping to see as much of the country as we can. We have been working in Tajikistan with our partners for many years adapting the tour as time goes by to gain the most out of this wonderful country and all it has to offer. We choose our hotel stays not only for their comfort and location but their unique and unusual style making the tour even more enjoyable.

- **Rudaki & Somoni Avenues:** the two main streets in Dushanbe formally known as Lenin Street and Petoskey Street. These grand avenues were renamed in the early 1990s after the poet Rudaki and the ancient king Ismail Somoni, lined with a mixture of past Soviet architecture and modern Tajik grand buildings.
- **Rudaki Parks:** A beautifully laid out park with a grand statue of the poet Rudaki, located opposite the brilliant national library building.
- **Ismaili Somoni Monument:** This fantastic statue of the ancient king stands on the former site of Lenin. It is said that Somoni's crown contains 10 kilograms of Tajik gold.

After lunch, for those who wish to, we can hike into the mountains for amazing views of the surrounding valley.

It simply has to be seen to be believed, the photos you will get will blow the mind of anyone you show them to! We may have a long drive as the location of this spectacular event does change from year to year. The aim is to arrive when the event is in the throes of setting up watching the competitors arrive. We will stay until the end to make the best use of our time for photography and enjoyment.

PM

- The day will be spent at the sports fields, in addition to Buzkashi, there may be **wrestling** and **dancing** giving us the opportunity for mingling and people-watching considered to be the friendliest people in all of Central Asia. An authentic relic of the USSR days.

Its current build includes a fascinating museum looking at the history of the area and the whole region.

PM

Extra nights at the beginning of the tour are possible - please contact your Tour Manager for prices and information.

FOOD

Most meals are included in this tour although there is time allowed in Dushanbe for your own exploration. Your tour leader will be able to advise on the options when you arrive.

Plov is the national dish of Tajikistan - this rice-based dish is usually served with meat and vegetables. We will certainly try a lot of this as we travel on our journey.

Other staples consist of shish-kebabs made from either lamb or beef. Usually, every meal will come with the delicious, locally cooked fresh bread.

Green and Black tea is the national drink; this can be expected with almost every meal, and there will be a chance to purchase alcoholic beverages in most locations.

DIETARY REQUIREMENTS

Please note that vegetarian food choices can be limited although your needs can be catered for on tour. If however, you have any special dietary requirements, please do let us know in advance.

In this region, the availability of certain specialized products for restricted diets, e.g. gluten-free or dairy-free, is minimal or non-existent. We would strongly recommend you bring these dietary items.

TRANSPORT

All ground transport is included in this tour.

We use minibuses to get around in the cities and countryside; there are some long drives which will be broken up where possible.

VISAS

You will require the following visa of which the application is a relatively straightforward process, but Please contact us should you need any advice or supporting documents for your visa application:

TAJIKISTAN VISA

All visitors to Tajikistan require a visa. You will **not** need to obtain a Gorno-Badakshan Autonomous Oblast (GBAO) for this tour. You may now apply for your visa online at the following link:

<https://www.evisa.tj/>

PACKING

Generally speaking, we recommend you pack as lightly as possible and make sure that you can carry and lift your own luggage and walk with it for short distances.

Most travellers carry their luggage in a backpack, although an overnight bag with a shoulder strap would suffice if you travel lightly. Smaller bags or backpacks with wheels are convenient. A lockable bag or small padlock is useful as your luggage may get stowed separately and unattended while you travel.

ESSENTIALS

- Day pack - for carrying essentials when exploring destinations like water, camera, snacks, jacket, etc.
- Lightweight clothing - a mixture of covering lightweight clothing and some warm layers are recommended. It is best to check the weather and seasonal information before travelling. Please also bring clothing that covers arms and pants/skirts that go past the knee for entry into local religious sites. For women travellers, a light scarf is also a good idea for covering shoulders and arms.
** Temperatures can get very low overnight in Kyrgyzstan and Tajikistan.*
- Comfortable shoes for full-day walking/trekking - closed-in shoes will help to protect your feet from cuts and scratches when walking through cities as well as bush/grasslands, and will also act as a barrier protection in rare cases against bites or stings
- Wind and waterproof jacket
- Sun protection - hat, sunscreen, sunglasses, and lip balm

RECOMMENDED

- Personal medical kit - we recommend you carry items such as mild pain killers, electrolytes, Band-Aids and insect repellent.
- Water bottle - we recommend a 1.5 liter capacity for which we can provide potable

water. Bottled water is also available but we prefer to use safe drinking water rather than contribute to polluting the environment.

- Spare batteries - our trips have access to power to recharge batteries for phones and cameras most days, but we recommend you take spare batteries for your camera.
- Electrical travel adapter plug
- Inner sleep sheet/bag for added comfort during overnight stays.
- Money belt
- Torch or flash light
- Hand sanitizer
- Neck pillow for those long, bumpy drives

OPTIONAL

- Ear plugs to guard against street noise and snorers.
- A good book, a journal and music player for longer drives.
- Images from home - during our trip there will be many opportunities for you to meet and talk with locals. One way to start any conversation is with pictures. We recommend that you bring some photos / postcards of your family, home, city or country where you live, animals peculiar to your country etc.

VALUABLES

Please try to avoid bringing unnecessary valuables, and use your hotel safe. We strongly recommend that you photocopy all important documents e.g. air tickets, passport, vaccination certificate, etc. and keep the copies separate from the originals. While not valid, a photocopy makes it very much easier to obtain replacements if necessary.

BACKGROUND READING

- The Great Game, Peter Hopkirk looks dull but one of the most fascinating books you can read on the 19th century posturing, wars, alliances and intrigues caused by the imperial rivalry of Britain and Russia.
- Setting the East Ablaze, Peter Hopkirk which specifically relates to the Bolshevik's annexation of Central Asia,
- Eastern Approaches, Fitzroy MacLean Fitzroy Maclean recounts his adventures in Central Asia during the Soviet era in the 1930s and 40s.

CURRENCY

TAJIKISTAN

The official currency of Tajikistan is the Tajik Somani (TJS). Tajikistan is mainly a cash-only economy. Only change money at officially authorized currency exchanges. These are often found at bazaars, airline offices and hotels. Very few establishments will accept credit cards. There is a small, but increasing number of ATMs in Dushanbe and other larger towns, but none in rural areas and they may not accept foreign cards or have enough cash to dispense. US dollars are the most widely accepted foreign currency; other currencies, apart from Euros or Russian rubles, may be difficult to exchange.

TRAVELLING ON A GROUP TRIP

As you travel on a group trip, you will be exposed to all the pleasures and maybe some of the frustrations of travelling in a group. Your fellow travellers will probably come from all corners of the world and likely a range of age groups too.

We ask you to understand the various needs and preferences of your group - patience with your fellow travellers is sometimes required for the benefit of everyone's travel experience. Remember too that you have responsibilities to the group. If you are requested to be at a place at a specific time, ensure that you don't keep the rest of the group waiting.

We have found time and time again that the very best trips we operate are those where the dynamics within the group work well - this takes just a little effort on your part.

We cannot provide you with contact details and any personal information about your fellow travellers booked on your trip before departure due to privacy reasons.

IMPORTANT TRAVEL NOTES

- As a responsible tour operator, your safety is our priority. Tajikistan is a safe country to visit, but your Tour Leader and local guides will advise you further about travel in these locations.
- This tour is not suited for children under the age of 12 (please check with Tour Manager), as well as those who are less able as some hiking is involved (albeit, relaxed).
- If you have a medical condition which may affect your health or safety during your trip, you must inform us before the visa application.

After the tour, we will send out a list of all participants' emails so you can keep in touch, swap photos etc. If you do not wish to be on this list, then please let us know.
